TERMINAL RAILROAD ASSOCIATION OF ST. LOUIS
TRAIN DISPATCHER EMPLOYEE
PRESCRIPTION AND/OR OVER-THE-COUNTER MEDICATION WORK AUTHORIZATION FORM

The bearer of this letter, _____, an employee of the TERMINAL RAILROAD ASSOCIATION OF ST. LOUIS, may be required to perform one or more of the following in the performance of his/her duties as a Train Dispatcher. A Dispatcher's duties include receiving verbal/written instructions, the use of office equipment and sitting for an extended period of time, coordinate and monitor movement of trains, remotely control track switches and traffic signals, coordinate track usage with engineering and communicate with personnel.

This employee is a regulated service employee governed by Code of Federal Regulation Part 219, drug and alcohol usage in the workplace.

Our rules require (in part): Employees must not report for duty or be on Company property under the influence of, or use while on duty, any over-the-counter or prescription drug or medication which will in any way adversely affect their alertness, coordination, reaction, response, or safety. If an employee is taking an over-the-counter or prescription drug that may have an adverse effect on their alertness, coordination, reaction, response, or safety, the employee should make sure that the following step is taken:

> A **physician** or **dentist** licensed or otherwise authorized to practice by a state of the United States or a physician designated by the Railroad makes a good faith judgment, in writing, with notice of the employee's assigned duties and on the basis of the available medical history, that use of the substance by the employee at the prescribed or authorized dosage applicable is consistent with the safe performance of the employee's duties.

SECTION I - PRESCRIBING PHYSICIAN'S STATEMENT: (Please print or type Medication/Dosage below)
****For more than two medications complete a second form**

Medication	**Dosage/Administration**
